## Summary

I have published known, but scattered over the Internet, information about SEO (search engine optimization): [www.webpositie.info](http://www.webpositie.info).

My activities in this line of work for companies in Spain, France, Belgium and The Netherlands are upgraded from SEO to seo02 in order to achieve the difference between my clients and their competitors.

## Specialties

Everything related to the Internet can be managed by me and my team. Specialty: seo02.

## Experience

### **Name: René Scholte new generation SEO at seo02**

October 2009 - Present (9 months)

For over ten years SEO was my core business. That does not change, it professionalises. On the web there is a lot of information on hand about SEO but also much nonsense.

What does matter I summarize at [www.webpositie.info](http://www.webpositie.info). My work for existing and new customers is on a new level: seo02.

— **Frank De Moor**, was René's client

"Well, to write about someone is not that difficult, BUT it can be difficult when we don't know that person well. However, this is not the case with you "Rene", as I told you earlier, you should be a "Doctor", and might be able to get well many people without a medicine. Our society needs such a people who are really wanted well for others. As Gandhi said "The best way to find yourself is to lose yourself in the service of others". Rg Mash"
